## **TRAFFIC SIGNALS ON ROUTE 11 IN ABINGDON BEING ACTIVATED FRIDAY**

*Signals at entrance to new Lowe's will be fully operational Monday, weather permitting*

**ABINGDON** – The recently installed traffic signals at the intersection of Route 11 and the entrance to the newly constructed Lowe's in Abingdon will be turned on flash Friday (December 18).

Weather permitting, on Monday (December 21) the lights will be taken off flash and will begin controlling traffic at the intersection. Motorists should use caution in this area while drivers become accustomed to the newly activated signals.
